

**To whom Ever It May Concern**

**Subject: Letter of Recommendation**

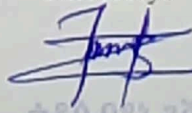

I take immense pride in introducing my student **Kaleab Haileyesus Minas**, I have known as a regular undergraduate student in Department of Computer Science, College of Natural sciences, and Salale University since 2013 E.C in academic year. I have taught him Fundamentals of database, Software Engineering, Research Method for Computer Science and Multimedia. He got excellent result. His interest in the field of Computer Science, I feel, makes him an ideal student for higher education in this field.

He is a very good student with extraordinary grasping ability, which helps him understand even the intricate details very easily. His ability to handle pressure situations and come on top is extremely commendable. His never-ending satisfy for knowledge and ability to reason has impressed me the most. The attitude of his, I am sure, will help him go a long way in this field. His respect and punctuality are other two exceptional qualities, which make him an ideal student. He is also a diligent and industrious person.

A student who believes in working hard and maximizing his capabilities **Kaleab Haileyesus Minas** will be striving to fulfill all his responsibilities. His continual passion towards learning and self-growth along with superior skills of time management will surely take him a long way in the future. I strongly recommend him for admission into your institution, I am sure that he will be an asset to your **university/organization/Company**.

Finally, I wish success in her future career and cooperative work.

Sincerely,

**Tadesse Beyene Gashawtena**
